

Rockway Elementary School Arrival School Plan

- 2nd-5th grade drop-off route
- Prek-1st grade drop-off route
- Designated vehicle exits, Students ONLY
- Student walks into school guided by RES Staff
- School Bus Parking Zone
- Prek-1st grade parking for walking student to school

Parents will be encouraged to use our parent drop-off lane when dropping off their child/children instead of getting out of their vehicle and walking them to the entry gate. The parent drop-off lane will be barricaded for safety reasons by a school custodian. Our School Resource Officer (SRO) will be assisting during arrival beginning at 7:45 AM. For parents who choose not to use the student drop-off lane, they may walk (wearing a mask and ensuring social distance requirements) their child/children to the designated walkway where signage has been placed at a 12' distance to ensure we do not have large groups of parents gathering in our entry points.

Thank you for your understanding as we work together for the safety of all!
