## Digital Art

WROK TEAM

Our Programs

Art Program

Our STEAM infused Art Curriculum has quarterly STEAM lessons, participation in District-Wide Exhibition, student curated Art show, 2-D,3-D, and digital art.

Music Program

Our Music Curriculum explores music literacy by reading and writing rhythms with basic music symbols, singing and instrumental techniques. Our music program also includes Chorus and String ensemble.

Strings Ensemble

Broadcast Program "WROK TEAM"

Broadcasting gives enthusiastic students the opportunity to learn what goes into making good-quality productions for transmission over the airwaves.

Registration Checklist

- Original Birth Certificate
- Vaccination & Yellow Physical Paper
- Proof of Address
- School Records -if other than KINDERGARTEN - must provide proof of last grade completed.

Robotics & Coding

Robotics and Coding

Our Robotics Team uses VEX IQ and VEX GO programs to learn coding and building robots. The Robotics Team participates in District-wide competitions.
